 POI - Point of Interest

12 Mile - Kituhwa Route (Blue Route)

Route Description:

Follow the BLUE markings for this route! This short and scenic “lollipop loop” route travels from Bryson City down Hyatt Creek Rd, Galbraith Creek, & back to town on Hwy 19. Enjoy beautiful views of farm fields and the sights and sounds of the rushing water along Tuckasegee River. Enjoy fairly easy riding with an occasional rigorous, but short climb. Much of this route circles the historic and ancient Cherokee Kitiwuh Burial ground. The Cherokee Indian council house once stood on these grounds in the Cherokee Mother Town of Kituhwa. However, it was destroyed by the Rutherford Expedition in 1776. For more history and information visit
